Ashley Oaks Water System, Inc. area, Ashley)	APPLICATION
Oaks, Richland County, South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an application filed by Ashley Oaks Water System, Inc. (the Company) wherein the Company requests that the Commission waive certain requirements of R.103-712.4 of the Commission's Rules and Regulations as contained in Volume 26 of the S.C. Code of Laws, 1976, concerning the bond requirement and accept the Company's application.

The Commission, pursuant to R.103-802, of the Commission's Rules and Regulations finds that in the instant matter compliance with R.103-712.4 would result in unusual hardship and difficulty to the Company in that the material required by the Rule is not in existence or not available at this time.

Therefore, the matters contained in the application, the Company's supporting data, and matter contained in the Commission's files, would bring the Commission to the conclusion that certain requirements set forth in R.103-712.4 as regards the bond requirement should be waived, as such waiver is in the public interest.
